graph BT; A[caffe::InputParameter] --> B[Message]; A --> B;
```

The diagram consists of two rectangular boxes. The top box is white with a thin gray border and contains the text "Message". The bottom box is gray with a thin black border and contains the text "caffe::InputParameter". Two dark blue curved arrows originate from the top edge of the bottom box and point upwards to the bottom edge of the top box, positioned on the left and right sides.
